Seller will make every effort to guarantee that every puppy from Our Poetic Poodles is in good health at the time of adoption. We will not ship a puppy until we are certain that the puppy is ready for the trip and has passed a veterinary health exam and is free from illness.

Because we can't control the exposure of the puppy after he/she leaves us, your new puppy must be examined by a licensed veterinary within 72 hours of receiving your puppy. When taking your puppy to the vet don't allow it's feet to touch anything unless it has been sterilized with bleach.

We guarantee our puppies for 2 years for the known genetic diseases effecting the Standard Poodle (i.e. Hip Dysplasia, Heart defect) Should the puppy be diagnosed with any genetically derived disorder which is attested to by two unassociated veterinarians(ours being one of them)there by causing both the BUYER and the BREEDER to agree that the puppy cannot lead a normal life the buyer has the option to receive a replacement puppy. If ever a replacement puppy is deemed necessary due to one of the above diseases the replacement will be at the sellers convenience,out of the next available litter bred by the seller. The replacement puppy will be of comparable value to the purchased puppy. There will be **NO REFUND** of money at any time only a replacement puppy.

If limited AKC registration is given ,buyer agrees to spay/neuter by 8 months of age (this means that this puppy can not be used for breeding.)(**AKC Registration papers will be given when buyer submits proof of spay/neuter to breeder.**) If this puppy is bred intentionally or not this contract would then be void and buyer would owe the price difference of **\$350.00**  
If unlimited AKC registration is given,the buyer has full rights to breeding and full registration for any puppies whelped.

While seller will make a good faith effort to estimate the color and the size of the puppy based on the size and color of the parents seller does NOT and CANNOT guarantee size, color, temperament or fertility.

Puppies are very fragile and every precaution should be made in handling them. This contract is not applicable for accidental injury or any illness picked up before the puppy has had all vaccines, precautions should be taken to keep puppy away from stores, parks and anywhere they might come into contact with parvo or any other illness until they are fully immunized. Seller does not guarantee against shipping mishaps once the puppy is in the care of the airline. Insurance is provided in the shipping cost and any claims for damages while shipping shall be made by the buyer directly to the airline.

If for any reason you find that you can no longer care for your puppy please contact us as we will take the puppy back or help you rehome him/her. Under no circumstances should the puppy ever be turned over to the Humane Society/Shelter

**The undersigned agrees to uphold all covenants of this agreement as of this day** \_\_\_\_\_
